

Guidelines

1. Objective

To provide a subsidy on the transport of stock to sale or slaughter for animal welfare reasons

2. Assistance Available

A subsidy of up to 50% of the total freight cost to a maximum of \$20,000 per farm enterprise per financial year is available to eligible primary producers.

Claims may be submitted no more than six months after movement of the stock.

3. General Guidelines

A subsidy is permanently available where:-

- Animals are at significant risk in terms of animal welfare;
- There is little or no feed and/or water available. (This includes both pasture and stored fodder);
- Animals leave the farming enterprise permanently; and
- The enterprise demonstrates a significant financial need.

4. Eligibility Criteria

To be eligible for assistance you must demonstrate that:

- You are the owner and/ or operator (eg. lessee) of a farm business in NSW
- The business operates as a sole trader, partnership, trust or private company and trades agricultural products
- You are claiming in relation to farmed animals appearing on the most recent Land & Stock Return.
- The business is registered with the Australian Taxation Office as a primary producer, and have an Australian Business Number (ABN).
- The owners and operators of the business earn more than 50% of gross income from the primary production enterprise under normal seasonal conditions.
- You can provide confirmation that you are in financial need by either being in receipt of a Farm Household Allowance (FHA) or being an eligible client of the Rural Financial Counselling (RFC) service.
- You can pay for the cost of transportation prior to lodging a claim for the rebate.
- You can provide proof of payment with the claim form.

5. Animal Welfare Provisions

- The claimant must provide confirmation that the removal of livestock is necessary for reasons of animal welfare. Animals must be at a Fat Score 2 or below, except dairy cattle where the Body Score must be 3 or below.

- The claimant must obtain verification of an animal's fat score, at, or before, the point of sale or slaughter. Verification can be provided by the abattoir, by a stock and station agent, or by a veterinarian.
- Can confirm that the transport of stock from the property is for sale or slaughter.
- Stock must be transported to the nearest available sale yard or abattoir.
- The subsidy is not to be used for the transport of stock that are not fit to travel. Stock owners must always comply with the Prevention of Cruelty to Animals Act 1979. In determining whether stock are fit to travel, primary producers should refer to the Department of Primary Industries' ['Welfare Scoring'](#) and the Meat and Livestock Association's ['Is it Fit to Load'](#)

6. Payment and Transport Provisions

- Payment of assistance can only occur upon production of tax invoices for transport expenses incurred.
- Tax invoices from stock and station agent/ saleyards/ abattoir must also be provided and can include fat score details.
- Claims must be made within six months of the movement of stock.
- If an ABN is not supplied, the rebate will be reduced by an amount equivalent to the highest tax rate, which is subsequently forwarded to the Australian Taxation Office.
- The subsidy will be paid for road transport at a rate of 50% of the total amount paid to the carrier or costs for an owner driver. If transport rates are considered excessive, the cost will be determined at 50% of the maximum rate for transport as outlined in Table 1 below.
- In the case of an owner/ driver, payment will be provided in line with the km rate table below. A copy of the registration certificate for the vehicle used to transport must be provided.

Table 1: Maximum kilometre rate for transport

Gross vehicle mass (T)	<2.5	<4.5	<6.5	<8.5	<10.5	<12.5
Amount per km	\$1.00	\$1.40	\$1.80	\$2.00	\$2.20	\$2.35

Gross vehicle mass (T)	<14.5	<15.5	<22.5	<27.5	<42.5	<42.5
Amount per km	\$2.55	\$2.65	\$3.00	\$3.40	\$4.00	\$5.00

- The amount to be paid is the GST exclusive amount.
- The subsidy is available only for the loaded portion of journeys.

7. Exclusions

- Transport of fodder for stock (including bees) to drought affected properties.
- Transport of domestic water to drought affected properties.
- Transport of drinking water for stock (including bees) to drought affected properties.
- Transport of stock to or from agistment
- Commercial feedlots are not eligible for the subsidy.

8. To Apply
