Special Disaster Grant - Bushfires

Guidelines

1. About the program
This grant program is a jointly funded measure between the Commonwealth and relevant state governments under the Disaster Recovery Funding Arrangements (DRFA).

It aims to assist eligible primary producers impacted by 2019-2020 summer bushfire events (commencing August 2019) with the costs of immediate clean-up and repairs, where those costs are not covered by other assistance measures or existing insurance policies. This includes caring for injured stock or disposing of dead stock, and rebuilding or replacing damaged or destroyed on-farm fencing and other infrastructure. Damage may include that caused by fire, smoke, ash and/or soot.

2. Available funding and supporting evidence

2.1 The maximum grant amount for clean-up, reinstatement activities and emergency measures, per affected property, is $75,000.

2.2 Should an initial application be for less than the maximum grant amount, further applications may be submitted if additional expenditure is required to complete clean-up, reinstatement activities and emergency measures.

2.3 Applicants must include evidence of direct damage with their application. This:
   a) must include photographic evidence of direct bushfire-related impacts, and
   b) may include other evidence in addition to photographs such as quotes, estimates or tax invoices (if available) that demonstrate the impact of the eligible disaster, noting that, per 6.1b) this information may be sought through the audit process.

3. How funding may be used

3.1 Grants are provided to help pay for the costs of clean up, reinstatement activities and emergency measures associated with the immediate recovery of primary production enterprises. Eligible claims may cover:
   a) Hiring, leasing or purchase of equipment and/or materials to undertake clean-up
   b) Additional labour costs (above and beyond normal wage expenditure, i.e. day-to-day staffing)
   c) Disposing of damaged goods and injured or dead livestock, including associated costs
   d) Repairing a building or repairing or replacing fittings in a building, if the repair or replacement is essential for resuming operation of the primary production enterprise. (Funding is not available for repairs to a building that is used as a dwelling, unless it is used for carrying on the primary production enterprise, for example staff accommodation)
   e) Repairing or replacing fencing and horticultural netting (not covered by other assistance)
   f) Reconditioning/reparing essential plant and equipment, including repairing damage to, or replacing, water tanks, de-silting dams, water reticulation systems, forestry equipment, aquaculture and fishing equipment,
   g) Salvaging (but not replacing) crops, grain, feed, fertiliser and timber, including crops damaged by fire, smoke, ash and/or soot.
   h) Health assessment, treatment and maintenance for livestock, poultry and aquaculture species,
   i) Purchase of fodder, grain, and feeds for livestock and poultry and supplementary pollen or pollen

- substitute, and/or stock agistment costs, and associated transport costs (not covered by other assistance),
- j) Purchase or hire/lease costs for equipment essential to the immediate resumption of the business (e.g. energy equipment such as generators and solar panels for non-residential purposes),
- k) Replacement of essential water used for firefighting purposes,
- l) Water cartage,
- m) Payment for tradespeople to conduct safety inspections.

4. Eligibility criteria

4.1 To be eligible for the grant, the applicant must:

a) be a primary producer (as defined in section 7 below); and
b) earn more than 50 per cent of their total gross income from primary production; and
c) spend part of their labour on primary production; and
d) have a primary production enterprise (as defined in section 7 below) located in the defined area for the eligible disaster that has suffered direct damage as a result of the eligible disaster; and
e) hold an Australian Business Number (ABN) and have held that ABN at the time of the disaster; and
f) have been carrying on that business at the time of the disaster; and
g) intend to re-establish the primary production enterprise; and
h) have lodged an application by 15 December 2020.

4.2 An applicant may also be eligible for a grant if both of the following apply:

a) the applicant’s primary production enterprise is located outside the defined disaster area for the eligible disaster but is carried on at least sometimes on a regular basis in the area; and
b) plant or equipment of the primary production enterprise situated in the defined disaster area has been damaged or livestock has died as a result of the eligible disaster.

4.3 Where an applicant’s income from primary production is less than 50 per cent of their total income, the applicant may nonetheless be eligible for a grant if it can be demonstrated that;

a) in the ordinary course of business the applicant would meet that requirement, but:
   i. their primary production income is currently reduced due to drought; and/or
   ii. due to long lead times to full production, (e.g. an orchard or vineyard is in early stages of development), the applicant expects to earn such an amount of income within an eight year period; or
   iii. the applicant is a forest plantation grower, or a private land holder who actively manages forest resources, with the intention of deriving income from commercial timber and/or wood fibre production; or
b) The applicant derives at least 50 per cent of their total income from primary production and value-added products (e.g. wine) made directly from raw produce grown by the applicant.

4.4 Applicants will not be eligible for a grant, or part of a grant, if:

a) the applicant does not meet the criteria at 4.1, 4.2 or 4.3; or
b) the applicant has received, or has been approved to receive, financial assistance for costs associated with the items set out under 3.1 from another government assistance scheme,
Special Disaster Grant - Bushfires

however the applicant may be eligible for a grant for costs that are not covered by the other scheme; or the applicant is entitled to receive a payment under an insurance policy for costs directly associated with an item set out at 3.1, however the applicant may be eligible for a grant for costs that are not covered by their insurance, or for amounts in excess of the value insured; or

c) another party to the primary production enterprise, (for example a party holding a separate ABN number), has already applied for a grant under this program.

5. Eligible separate businesses

5.1 Applicants who operate their primary production enterprise under a single ABN on separate properties in different locations may apply for assistance up to the maximum amount available for the eligible disaster for each eligible business.

5.2 Consideration of eligible separate primary production enterprises may cover:

a) the staffing arrangements of the separate primary production enterprises;

b) whether the primary production enterprises have their own plant, equipment or stock;

c) the accounting arrangements of the separate primary production enterprises;

d) whether the separate primary production enterprises operate under their own trading names;

e) the commercial scale, viability and autonomy of each primary production enterprises.

6. Terms and Conditions

6.1 Successful applicants will be required to:

a) provide any additional information required by the Rural Assistance Authority to assess an application, including assessment of losses arising from the disaster event; and

b) agree to subsequent audits under the scheme including permission for on-farm access to confirm that grant and co-contribution funding provided have been expended on approved purposes.

7. Definitions
