18. Definitions

Approval: your application will be approved based on your eligibility with the criteria listed in [Section 5](#). Your invoices will be approved based on their eligibility with the criteria listed in [Section 6](#). In the event of an early close, the RAA will pay invoices ranked by the date received up to the allocated funding. An approved application does not imply an approved invoice.

Farmed goat: any breed or type of goat that is not a harvested rangeland goat, which is managed or semi-managed on a property and is subject to animal husbandry procedures and managed breeding programs.

Mandatory individual electronic identification (eID) tagging: means

- a. sheep or farmed goats must be identified with an approved electronic NLIS device that was assigned for use on that property before they leave their property of birth, or
- b. sheep or farmed goats must either be carrying an approved electronic NLIS device attached by an earlier owner or an approved electronic NLIS post-breeder device that is assigned for use on the property from which they will be dispatched before leaving a property that is not their property of birth.

Proof of order: a valid tax invoice showing a deposit has been made for an order.

Valid tax invoice: a paid invoice including the name, address and ABN (if applicable) of the entity that issued the invoice and a description of each item to which the invoice relates, which is clearly identifiable as being related to approved expenditure for the applicant. The RAA can ask for proof of payment of the invoice.

You and your: in the context of these guidelines and the related application process refers to the applicant Local Government. The RAA takes you as having authority to make application on behalf of the entity applying.
