

Verification of Identity

RAA Portal users must complete identity verification every **two years** to maintain full access to account details and features.

RAA Account Verification of Identity

Complete your Identity Verification in the RAA Portal to ensure continued access to all account details and features.

1. Log In to the RAA Portal using the **Service NSW Log In** option.
2. Select the **Identity Verification** task.
3. Review the instructions and click **Complete identity verification**.
4. You'll be redirected to the Service NSW website (log in if prompted).
5. Accept the Privacy Collection Notices and Terms and Conditions.
6. Choose and enter details for two identity documents.
7. Confirm your details and enter your mobile number and address.
8. Enter the one-time authentication code sent to you (or use your authentication app).
9. Return to the RAA Portal and click **Validate identity verification** to finish.
